4. Please provide general information about the Agency's process for developing the GSP, including the manner in which interested parties may contact the Agency and participate in the development and implementation of the GSP as required by Water Codes §10723.4 and §10727.8.

(Fill in the text box AND/OR attach a file).

Interested parties, as defined in Water Code Section 10723.2 and identified by NSWG GSA, will be solicited for feedback and engaged with during GSP development. Interest parties are encouraged to attend the NSWG GSA meetings and review information available on the website, <https://www.newstonewaterdistrict.com/>. Additionally, Madera Subbasin holds basin-wide public workshops. Information on location and dated of public workshops can be found on the Madera Subbasin Website: <http://www.maderacountywater.com/maps/madera-subbasin/>

5. Please provide link(s) to the Agency's website where relevant information regarding the GSP is posted or will be posted.
